

Toddler Time Confirmation

Thank you for registering for a Toddler Time program here at the Minnesota Zoo. We are looking forward to a fun and exciting class together.

When you arrive for the Toddler Time program, please park in the main parking lot and enter the zoo through the main entrance. Let the people at the cash registers know that you are here for a Toddler Time program. They will let you into the Zoo and direct you where to go from there. Please note – there are times when the entrance can get very busy (example: Farm Babies during April or other special events), and you will want to allow extra time to get through the entrance area prior to your class starting.

Your registration statement lists the classes members of your family are enrolled in. If you see “wait list” for any of the programs, you are on a wait list for the class and will be contacted if a spot becomes available. At that time you will be asked to provide payment.

Our classes do need to have a minimum number of participants for them to be held. If this class does not have the minimum number of participants a week prior to the class you will be contacted by phone.

If you have any questions or concerns, please call me at 952 431-9320. Please leave a message if I am not available.

Have a great day,
