RECYCLE FOR RAINFORESTS!

African rainforests and the animals that live there are under threat. You can make a difference by recycling your out-of-use cell phone(s).

By donating your old cell phone, you:

- Keep hazardous substances, found inside cell phones and other electronics, out of the trash so they can't damage our environment.
- Reduce demand for minerals found in cell phones that are sometimes mined illegally and destructively in African rainforests.
- Raise money to support the conservation of great apes and their rainforest habitat in the Republic of Congo.

Now Open!

Faces of the African Forest

Elegant Colobus monkeys join De Brazza's monkeys, fruit bats, dwarf crocodiles, red river hogs and rock hyrax in the Minnesota Zoo's newest exhibit, Faces of the African Forest. Now Open on the Tropics Trail.

Great Clips IMAX Theatre

Re-open the toy box...for TOY STORY 3 An IMAX 3D Experience. As Andy prepares to depart for college, Buzz, Woody and the rest of his loyal toys are troubled about their uncertain future. The toys end up in a room full of untamed tots who can't wait to get their sticky little fingers on these "new" toys. It's pandemonium as they try to stay together, ensuring "no toy gets left behind." Experience it in IMAX!
